

AUTHOR'S GUIDELINES

All manuscripts (must be in English and in MS Word format) and should be submitted through online manuscript submission system or to editor@jpcbs.info / jpcbs.editor@gmail.com The e-mail addresses of all authors must be provided.

Cover Letter

It is a mandatory requirement that a signed covering letter also be submitted along with the manuscript by the corresponding author. Please download the sample of cover letter from Journal's website.

Manuscript preparation

The manuscript should be typed in English on A4 size paper. Times New Roman front 12pt should be used with 1.5 lines-spaced throughout. All pages must be numbered sequentially.

Title page

Title page should contain a clear, concise and informative title of the article followed by the names and affiliations of the authors. The corresponding author must provide full corresponding address (including e-mail address) at the lower left of the page.

Manuscript Structure

1. Title Page with Title and author affiliations
2. Abstract
3. Key Words
4. Introduction
5. Materials & Methods
6. Results
7. Discussion
8. Conclusion
9. Acknowledgements

10. References

11. Tables

12. Figures

Abstract

The abstract should not be more than 200 words. Reviews and mini reviews also require an abstract. Abstract must be followed by 4-6 keywords.

References

References should be numbered consecutively in the order in which they are cited in the text. Arabic numerals (in squared brackets, eg. [1], [1, 2, 7] or [1-5]) should be used in citing references in the text. Unpublished work should not be included in the list of references.

References should be structured in the following order:

Journal Article Reference

Prasad K and Bish G. Evaluation of Nutritive, Antioxidant and mineral composition of Pavetta indica Linn. leaves. Res J Phytochem 2011; 5(1): 54-59.

Takeuchi H et al. Solid dispersion particles of tolbutamide prepared with fine silica particles by the spray-drying method. Powder Technology 2004; 141(3):187–195.

Book

Alfred Martin. Physical Pharmacy. New Delhi: B.I.Waverly Pvt. Ltd; 1994, p 277.

Chapter in Book

Korsemeier R, Peppas N Macromolecular and modelling aspects of swelling-controlled systems. In, Mansdorf S, Roseman T, eds. Controlled Release Delivery Systems, New York, Marcel Dekker, 1983; p 77.

Web pages

What is Zollinger – Ellison syndrome? What causes Zollinger Ellison syndrome? Medical news today: [cited 2011 Sep 16].

Available from:<http://www.medicalnewstoday.com/articles/186793.Php>

World Medical Association Declaration of Helsinki. Ethical principles of medical research involving human subjects. [Cited: 2008 September 3]

Available from:<http://www.wma.net/en/30publications/10policies/b3/index.html>

Tables & Figures

Tables and figures should not be embedded in the text, but should be included at the end of the manuscript on separate pages.

Tables

These should be numbered with Arabic numerals. The title should be typed at the top of the table in the sentence case format. Any footnote should be typed at the bottom of the table in italic.

Figures

Figures must be numbered as Fig. 1, Fig. 2, etc. All figures including photographs should be numbered consecutively in Arabic numerals in the order of their appearance in the text and bear a brief title in lower case bold face letters below the figure. Avoid using same data in the Result and in a figure. To ensure the highest print quality, figures must be submitted in TIF or JPEG format.

Review articles

Review articles should not be more than 25 pages and contain comprehensive coverage of relevant literature. All format requirements are similar to those applicable to Research papers. Review articles need not to be divided into sections such as Materials and methods, and Results and discussion, but should have an abstract and introduction. Review article should be supported by sufficient references.

Abbreviations

Standard abbreviations should be used throughout the manuscript. All nonstandard abbreviations should be kept to a minimum and must be defined in the text following their first use.

Conflict of interest statement

It must be declared by authors.

Copyright

Submission of the manuscript represents that the manuscript has not been published previously and is not considered for publication elsewhere. Authors would be required to sign a Copyright Transfer Agreement Form once the manuscript is accepted.

Download Copyright Transfer Agreement Form from Journal's website

Proof Correction

Authors will receive Galley proofs of their accepted paper before publications. To avoid delays in publication, proofs should be checked for typographical errors and returned within 72 hours. Major changes are not acceptable at the proof stage.

Reviewer

Authors may suggest the names, affiliations and addresses (including e-mail) of two expert reviewers.
